**Americas Distribution Operations Update**

*Tigard, Oregon Operations Closing*

**LANSDALE, PA, USA. (April 15, 2013)** – Tyco Fire Protection Products announced today that it will close its Tigard, Oregon, USA distribution branch on May 3, 2013.

The 13,000 square foot office was used as a distribution point for the businesses' water fire protection products, and will be consolidated into a larger distribution facility in Kent, Washington, located three hours from Tigard.

"With this change, we will be able to improve service levels and meet customer needs from the knowledgeable regional Tyco team our customers are familiar with." said Robert Budziak, Director, Logistics & Distribution for Tyco Fire Protection Products.

As part of this relocation, the Tigard facility will suspend all operations on April 26<sup>th</sup>. Shipments and Will Call services will no longer be serviced from Tigard after this date. The Kent distribution branch will be ready to service all customers by Monday, April 29<sup>th</sup>.

Customers can continue to submit orders through the Tyco Lansdale Customer Services Center:

- Fax: 1-800-877-1295
- Toll-Free Phone: 1-800-558-5236
